THE COMPANY

TESMAR STONE is a dynamic and innovative marble company, specializing in high quality natural stone products. Through our passion for excellence and commitment to customer satisfaction, we have established ourselves as one of the leading suppliers of premium quality marble products.

Our company has grown from humble beginnings to become a trusted and respected supplier of marble products to customers around the world. Our team works closely with clients to understand their unique needs and provide customized solutions. We believe marble is more than just a building material – it's a work of art. This is why we take great care to source only top quality marble from various quarries in Morocco and partner with skilled artisans to create truly stunning products.

We believe that customer satisfaction is the key to our success. That's why we're committed to providing personalized service, expert advice, and affordable pricing to help you find the perfect marble products for your project. Our knowledgeable and friendly staff are always on hand to answer your questions, provide expert advice and ensure your experience with us is seamless.

OUR INTERNATIONAL CLIENTS & PARTNERS

Exclusive Quarries and Partners

Moroccan natural stone quarries are known for producing a wide range of marble and limestone varieties, each with its unique colors, patterns, and qualities. Moroccan marble is highly sought after in the construction and interior design industries for its elegance and durability. The quarries are typically located in various regions of Morocco, and the marble extraction process involves cutting and extracting large blocks of marble from the earth's crust.
